The image shows a screenshot of the Sea Shepherd Origins website's donation page. The background is a dark, atmospheric photograph of a ship's deck at night, with rigging and lights visible. In the foreground, there's a close-up of a person wearing a helmet with the Sea Shepherd logo. The website's navigation bar is at the top, featuring links for HOME, OUR ORIGINS, OUR MISSION, HOW WE FUNDRAISE, OUR CREW, EXECUTIVE BOARD, and CONTACT US. A 'DONATE' button is also present, accompanied by flags for the United States, the United Kingdom, and Germany. The main heading 'MAKE A DONATION' is prominently displayed in white, with the subtext 'Donate to our entities around the world and make a difference for the ocean' below it. A section titled 'Make a donation to our participating entities worldwide:' lists several entities in rounded rectangular buttons: Sea Shepherd France, Sea Shepherd UK, Sea Shepherd Brazil, Sea Shepherd Hungary, Sea Shepherd New Caledonia, and Captain Paul Watson Foundation (USA). Each button includes an external link icon. Below this list, it says 'For major direct donations, contact us:' followed by a red 'CONTACT US' button with an external link icon. The Sea Shepherd logo is visible in the top left corner and bottom right corner.

The Captain Paul Watson Foundation Partnership with Sea Shepherd Origins

Sea Shepherd Origins represents the international Sea Shepherd groups that are remaining true to the original objectives that I established for Sea Shepherd in 1977.

These include Sea Shepherd France, the U.K., Brazil, New Caledonia, Tahiti, Austria, Canada, Uruguay and Hungary.

The Captain Paul Watson Foundation has been established to replace the Sea Shepherd groups that have deviated from those objectives.

The Foundation is now established in the United States and Australia and continues to the Foundation in these countries will be used to operate the ships owned by the Captain Paul Watson Foundation worldwide.

So if you live in the United States, or Australia, please support our efforts by donating to www.gsw.watsonfoundation.org
